Officer Savage  
was adamantly  
opposed to creating  
a paper trail leading  
back to the Scottsdale  
P.D. But I forced the  
pen into her hand  
and made her sign  
the authorization.  
And, having defied  
the police once with  
impunity, I know  
that I can do so  
again. So beware,  
cops! If you need a  
no-paper-trail house  
opening, you had  
best call a different  
locksmith. —
